2004 and Newer SIDE AIR VENTS INSTRUCTION MANUAL

Congratulations on the purchase of your new accessory by Predator Motorsports. As with all products, proper installation is the key to obtaining all of the benefits your accessory is capable of delivering. Please take a few minutes to read through the instructions to identify the components and learn where and how they are used. It is a good idea to start by comparing the parts in your kit with the parts list below. Be sure to take all applicable safety precautions during the installation of this product.
