H2 FUEL DOOR

Warranty Information:

Your Hummer H2 Fuel Door is backed by a Lifetime Warranty on all structural parts including all spacers and brackets under normal use. Misuse and neglect is not covered under warranty. All hardware is backed by our 3 year 36,000 mile warranty. To ensure a lifetime of trouble free use, you must wash and wax the finish on the door once a month in dry climates and once a week in wet climates. We also recommend silicone spray lube to be shot into the lock and hinge points every month.

Item List:

- 1- H2 Billet Fuel Door
- 12- set screws
- 2- Barrel Keys

Tools Needed for installation:

- 7mm Socket/Driver
- Phillips Head Screwdriver

Installation:

- 1- Unscrew fuel cap.
- 2- Remove the three screws holding the fuel filler bucket in place.
- 3- Turn fuel filler bucket 1/8 turn counter clockwise and remove from H2.
- 4- Place Billet Fuel Door face down on soft towel.
- 5- Remove all Phillips head screws from Billet Fuel Door.
- 6- Place fuel filler bucket, face down, on back side of Billet Fuel Door.
- 7- Align bottom center of fuel filler bucket to bottom center of Billet Fuel Door.
- 8- Install all of the Phillips head screws in the Billet Fuel Door. Slowly and evenly tighten them into place.
- 9- Reinstall fuel filler assembly including Billet Fuel Door onto H2. Place over fuel filler neck and twist assembly 1/8 turn clockwise and reinstall 7mm screws.
